Formulary generic FDA - approved Women's Contraceptives covered 100% in network.

GENERAL PROVISIONS

Dependents EligibilitySpouse, children from birth to age 26 regardless of student status.Plans are provided by: Aetna Life Insurance Company. While this material is believed to be accurate as of
the production date, it is subject to change.

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

**We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help you understand how much we pay for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care

The following is a list of services and supplies that are generally *not covered*. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.
